## Introduction

Thank you for your purchase of a SSR Motorsports ATV / UTV. SSR makes quality vehicles, and we back our products with a warranty that is clear and fair, and supports you and your SSR ATV / UTV.

Every SSR ATV / UTV undergoes numerous and detailed inspections during the manufacturing process. SSR Motorsports also requires its dealers to examine vehicles such as yours several times before your first ride: At the time that the ATV / UTV is assembled from its shipping container; at the time the ATV / UTV is serviced for its first test ride; and after the dealer's test ride. These inspections are described on your copy of the Certificate of Vehicle Pre-delivery that the dealer provided to you when he sold you your vehicle. The reason for all of these inspections is to make sure that your vehicle is as perfect as possible at the time of your purchase.

Though your SSR vehicle was manufactured using state-of-the-art manufacturing processes, backed by a decade of experience in motorcycle and ATV / UTV design and development, it is still possible that a problem might occur. We do our very best to make sure that this cannot happen, but sometimes it does.

If a problem should occur with your ATV / UTV after you buy it, SSR Motorsports supports your vehicle with a Limited Warranty Policy that ensures that any defects in factory workmanship or materials reported within the warranty period of the vehicle will be repaired as promptly as possible, at no cost to you for parts or labor.

This SSR Motorsports Limited Warranty Policy Booklet describes what conditions are covered by the vehicle warranty, and which conditions are not.

If you have read this booklet and still have a question, ask your dealer's Service Manager, or Owner. If they cannot answer your question, please contact SSR Motorsports, using the information contained in the following SSR Limited Warranty Policy.

Welcome to the SSR family. We hope that you enjoy every minute you spend with your new SSR ATV / UTV.

# **SSR MOTORSPORTS ATV / UTV LIMITED WARRANTY**

**2016 and Later Models**

## **WHAT IS COVERED**

SSR Motorsports provides a limited warranty for each SSR All Terrain Vehicle (ATV) and Utility Vehicle (UTV) that it distributes to, and that is purchased from, an authorized SSR Motorsports Motorcycle or ATV / UTV dealer. With regard to those vehicles, SSR Motorsports warrants that each vehicle is free from defects in materials and factory workmanship, subject to the following exclusions, obligations and limitations. This Limited Warranty Policy applies to all 2016 and later model SSR ATVs and UTVs.

If an eligible defect is found, the needed repairs will be performed at no charge to you for parts or labor. Warranty repairs may be made at any authorized SSR Motorsports Motorcycle or ATV / UTV dealer in the United States of America. Any needed parts replacement will be made using new or re-manufactured genuine SSR parts. If parts for the warranty repair must be ordered, you will not be required to leave your vehicle in the dealer during the order period unless it is already disassembled in order to diagnose the problem.

Your selling SSR dealer is responsible for the correct assembly and pre-delivery servicing of your vehicle, and will provide you with a signed and completed copy of the Certificate of Vehicle Pre-Delivery. This document describes the operations that the dealer has performed in the preparation of your vehicle for sale.

If you purchased an ATV / UTV that was used as a dealer or SSR Motorsports demonstration vehicle, the vehicle will have a warranty period different than that of a new vehicle. The selling dealer will inform you of the applicable warranty period for your vehicle.

## **OWNERSHIP CHANGE**

This warranty is assigned to the vehicle. It begins when the vehicle is first sold (or put into use as a demonstrator) and ends when the warranty period expires. As such, when the vehicle is sold to a subsequent owner, any remaining warranty continues. However, the vehicle's ownership records at SSR Motorsports must be updated by a SSR dealer.

## **WHAT IS NOT COVERED**
